**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We need to keep competition alive so we can all get the best product for our money.

We need local providers; we need options; we need to be able to have great internet and telephone services within our budget, to get the most for what we have to pay.

Please make sure we, the consumers, have choice in our providers.

Thank you.
